FIRST AID FACT SHEET - NSW

Below is a summary of PCBU's obligations regarding the management of First Aid emergencies in the workplace.

The *First Aid in the Workplace Code of Practice NSW 2020* provides practical advice about the selection, provision, maintenance and use of First Aid equipment, facilities, and services at a workplace. Compliance with the Code will ensure that you comply with your obligations under the *Work Health and Safety Act 2011* and *Work Health and Safety Regulation 2017*.

FIRST AID TRAINED PERSONNEL & EQUIPMENT

The *Work Health and Safety Regulation 2017 s42 (2)* states –

'A person conducting a business or undertaking at a workplace must ensure that an adequate number of workers are trained to administer first aid at the workplace, or workers have access to an adequate number of other persons who have been trained to administer first aid.

Life International Training offers corporate and public First Aid and Perform Rescue from a Live LV Panel courses, successful participants will receive a Nationally Recognised Statement of Attainment.

FIRST AID FACT SHEET - NSW

WORKPLACE FIRST AID KITS

To ensure compliance with the *First Aid in the Workplace Code of Practice NSW 2020 s3.1*, employees must have timely access to a First Aid kit. It further states that 'A portable first aid kit should be provided in the vehicles of mobile workers if that is their workplace,'.

An employee that uses, even in part, a vehicle for the performing of their job, should have a First Aid Kit in the vehicle.
